( **F#m**, **Bm7** )  
Pushing boundaries  
I spy with my glassy eyes  
A turning point to my whole life  
Rising in these palm trees  
That's me

Wearing trunks in december  
Writing to remember

Leaking on the road side  
Minding the steps, minding the crap  
Praying for my good angel  
Praying for my know-how

Planning my costumes for the next carnival  
That's my heart  
Distressed and colorful  
A burning shuttle in the deep blue  
A sparkling water swimming pool

**Gbm** **Bm7**  
Cosmoman vibration gig-ê

Bolo cosmoman, bolo cosmoman
