

Forrueiros - Marieta

Tom: C
Intro: C Bb C

Botão de rosa, laranjeira, meu jasmim
A flor mais bonita que houver

entre os jardins

Marieta a mulata mais perfeita

No forró sobre poeira, faz

meu coração feliz

Dança se remexe tão faceira

Parece de brincadeira sua beleza admirar

Que encanta sua roda, em sua volta

Em torno de sua grandeza faz
a vida se alegrar

Refrão:

Marieta rodopia, faz zabumba derreter

No tilintar do triângulo

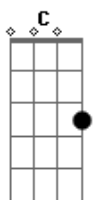

Faz o mundo estremecer

Marieta rodopia, faz zabumba derreter

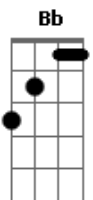

No resfôlego swingado

me apaixonou por você
