

Fort Atlantic - Just Hold On

Tom: G

G Em
On my way through the darkest night
D C
I keep moving on, I keep traveling light
G Em
It was a great escape through my own mirage
D C
High beams in the distance flashing on and off

C Em D
Don?t fade to black, don?t fade to black

D Em C
Just hold on to the light
C G D
Just hold on to the light

G Em
I speak these words with an autumn tone
D C
The falling leaves feel like home
G Em
We all want spring and perfect aim

D C
We all want love just like a runaway train

C Em D
Don?t fade to black, don?t fade to black

D Em C
Just hold on to the light
C G D
Just hold on to the light

(G Em D C)

G Em
I want to be secure, I want to never look back
D C
I?m afraid my heart can?t do that

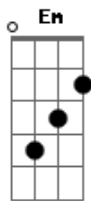

C Em D
Don?t fade to black, don?t fade to black

D Em C
Just hold on to the light
C G D
Just hold on to the light
