

# Fort Atlantic - Let Your Heart Hold Fast

Tom: A

All may days are spent  
 All my cards are dealt  
 Oh the desolation grows  
 Every inch revealed  
 As my heart is pierced  
 Oh my soul is now exposed

In the oceans deep  
 In the canyons steep  
 Walls of granite here I'll stand  
 All my desperate calls  
 Echo off the walls  
 Back and forth then back again

To believe I walk alone  
 Is a lie that I've been told  
 So let your heart hold fast

For this soon shall pass  
 Like the high tide takes the sand

Oh, oh, oh, oh, oh  
 Oh, oh, oh, oh, oh  
 Oh, oh, ooooh, ooooh, ohhhh, oh, oh

At the bitter end  
 Salt and liquid blend  
 From the corner of my eyes  
 All the miles wrecked  
 Every broken step  
 Always searching always blind

Never fear, no, never fear  
 Never fear, no, never fear  
 So let your heart hold fast  
 For this soon shall pass  
 There's another hill ahead
