

# Foster The People - Goats In Trees

Tom: G  
 I was caught inside the wreck  
 Never found my way out  
 I was filled with indifference  
 The animals were getting tired  
 So I sang them a song  
 'cause they promised not to take too long

I can't find my way back home  
 I'll listen to you if you want me to  
 But you have to share a smoke  
 Yeah I've been running against the wind  
 And I can't hear the angels calling  
 The madness has been pulling me right

Back out of my stride  
 I feel the change in the rising tide and  
 Blood is in the room  
 I buried all my wrongs there with my youth

(Don't give up on me now)  
 I'm on the outside  
 (Don't give up on me now)  
 And I'm falling apart

Well please to meet you, excuse my hands  
 I've been bitten by an enemy  
 That's pretended to be my friend  
 No I never wanted to be like them  
 I thought I was just too clever  
 To be brought down to their level of misfortuned chagrin

I don't care about what it's worth  
 But if you lift this burden off my back  
 I'll follow you to the bloody end  
 I've lived my life the way I want  
 But no one can tell me they're not afraid  
 Of the freedom of deliverance

Well I take it all in stride  
 I feel the change in the rising tide  
 And someone's in the room  
 I buried all my guilt there with my youth  
 (Don't give up on me now)

I'm on the outside  
 (Don't give up on me now)  
 But it's warm on the outside  
 (Don't give up on me now)

That's a lie  
 I don't wanna fall apart

Interlude 2x: B Am G G2 D G Gbm G

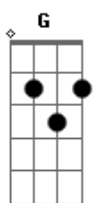

Yeah well me? I've been afraid  
 I clawed and I fought like hell  
 The darkest days upon you

Yeah well me? I've gone astray  
 My blood was turning to sand  
 The darkest days upon you

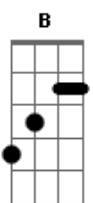

Yeah well me? I've been afraid  
 The numbness was getting closer  
 The feverish days upon you

Ending: B G B
