Eb Cm  
Forget your problems lay it down they start up  
Bb Gm  
The innocence of what you want is what I want

I've ran my colours dripped down and drained away  
Bb Gm  
Tried a million things but my heart's been shot  
Eb Cm  
Well I hope you try and find me I'm all spun and pacing  
Bb Gm  
I know what you want to say so I'll say it  
Eb Cm Gm  
Forget the words speaking just want to rearrange so I'll say  
it  
  
Eb Bb  
Oooh yeah  
Gm Bb  
I really miss you miss you I said  
Cm Bb  
Smile at the chance just to see you again  
Gm Bb

I really miss you miss you I said

Been stroking this like the wrong things that I figured out  
I never knew that I could go as far as this  
I took a problem Easily forgotten  
Don't know who I'd been before I slipped  
Oh, I wanna change it I will live a life  
That makes you smile when I'm done here and long gone  
Feverish and peaking, just wanna see your face  
Oh, what you say, what you say
