And it's over, it's over
 A E
 I'm circling these vultures
 Bm7 Gbm7
 Got me praying that it's longer
 A E
 Feeling something rotten
 Bm7 Gbm7 A
 Last time I saw you said "What's up?"

 Bm7 Gbm7
 Then I tried to catch you

 And now it's over, we're sober

 Bm7 Gbm7
 And the night ain't getting younger
 A E
 Last call's around the corner
 Bm7 Gbm7
 Feeling kinda tempted
 A E
 And I'm pouring out the truth
 Bm7 Gbm7
 Just fading out this talk is 'cause now
 A E
 All I want is you

I'm saying come over here, sit next to me
 Bm7 Gbm7 A E
 We can see where things go naturally
