[Primeira Parte]

Yeah, it's over, it's over
 I'm circling these vultures
 Got me praying, man this hunger
 Feeling something rotten
 Last time I saw you said "What's up?"
 And pushed right through
 Then I tried to catch you
 But we're always on the move
 And now it's over, we're sober
 Symptoms of the culture
 And the night ain't getting younger
 Last call's around the corner
 Feeling kinda tempted
 And I'm pouring out the truth
 Just fading out these talkers 'cause now
 All I want is you

[Refrão]

I'm saying come over here, sit next to me
 We can see where things go naturally
 Just say the word and I'll part the sea
 Just come over here, sit next to me
 I'll take you high
 High

[Segunda Parte]

Well I ain't frontin' my intention
 Got your man outlined in chalk
 It's a midnight intervention

Acordes

Got no plans to make it stop
 Last time I saw you said
 You wanna keep it light
 But I'm here to tell you
 I'm not trying to change your mind
 It's alright, ooh ooh
 It's alright, ooh

[Refrão]

Yeah, come over here, sit next to me
 We can see where things go naturally
 Just say the word and I'll part the sea
 Just come over here, sit next to me
 I'll take you high
 High
 High
 High

[Ponte]

It's alright
 It's alright
 It's alright
 It's alright

[Refrão]

So, come over here, sit next to me
 We can see where things go naturally
 Just say the word and I'll part the sea
 Just come over here, sit next to me
