[Primeira Parte]

Yeah, it's over, it's over  
 I'm circling these vultures  
 Got me praying, man this hunger  
 Feeling something rotten  
 Last time I saw you said "What's up?"  
 And pushed right through  
 Then I tried to catch you  
 But we're always on the move  
 And now it's over, we're sober  
 Symptoms of the culture  
 And the night ain't getting younger  
 Last call's around the corner  
 Feeling kinda tempted  
 And I'm pouring out the truth  
 Just fading out these talkers 'cause now  
 All I want is you

[Refrão]

I'm saying come over here, sit next to me  
 We can see where things go naturally  
 Just say the word and I'll part the sea  
 Just come over here, sit next to me  
 I'll take you high  
 High

[Segunda Parte]

Well I ain't frontin' my intention  
 Got your man outlined in chalk  
 It's a midnight intervention

## Acordes

Got no plans to make it stop  
 Last time I saw you said  
 You wanna keep it light  
 But I'm here to tell you  
 I'm not trying to change your mind  
 It's alright, ooh ooh  
 It's alright, ooh

[Refrão]

Yeah, come over here, sit next to me  
 We can see where things go naturally  
 Just say the word and I'll part the sea  
 Just come over here, sit next to me  
 I'll take you high  
 High  
 High  
 High

[Ponte]

It's alright  
 It's alright  
 It's alright  
 It's alright

[Refrão]

So, come over here, sit next to me  
 We can see where things go naturally  
 Just say the word and I'll part the sea  
 Just come over here, sit next to me
