

# Foster The People - Waste

Tom: Db

I'll hold your hand when you are feeling mad at me

When the monsters they wont go,  
The windows, they wont close,  
I'll pretend to see what you see

How long, I say how long, will you re-live the things that are gone?  
The devil's on your back but I know you can shake him off

And every day that you want to waste, that you want to waste, you can  
And every day that you want to wake up, that you want to wake, you can  
And every day that you want to change, that you want to change, yeah

I'll help you see it through because I just really want to be with you

You know its funny how freedom can make us feel contained  
When the muscles in our legs aren't used to all the walking  
I know if you could snap both your fingers than you'd escape with me  
meantime I'll just wait here and listen to you when you speak, or  
scream

And every day that you want to waste, that you want to waste, you can  
And every day that you want to wake up, that you want to wake, you can  
And every day that you want to change, that you want to change, yeah

I'll help you see it through because I just really want to be with you
