

# Foster The People - Waste

Tom: Db

I'll hold your hand when you are feeling mad at me  
 When the monsters they wont go,  
 The windows, they wont close,  
 I'll pretend to see what you see

How long, I say how long, will you re-live the things that are gone?  
 The devil's on your back but I know you can shake him off

And every day that you want to waste, that you want to waste, you can  
 And every day that you want to wake up, that you want to wake, you can  
 And every day that you want to change, that you want to change, yeah

I'll help you see it through because I just really want to be with you

You know its funny how freedom can make us feel contained  
 When the muscles in our legs aren't used to all the walking  
 I know if you could snap both your fingers than you'd escape with me  
 meantime I'll just wait here and listen to you when you speak, or  
 scream

And every day that you want to waste, that you want to waste, you can  
 And every day that you want to wake up, that you want to wake, you can  
 And every day that you want to change, that you want to change, yeah

I'll help you see it through because I just really want to be with you

## Acordes

The image shows four ukulele chord diagrams on a 4-string grid. Each diagram is labeled with its chord name and includes a copyright notice for ukulele-chords.com.

- Db:** A thick black bar across the top two strings (G and C).
- Ab:** A thick black bar across the top two strings (G and C), with a '2' above the second string.
- Bbm:** A thick black bar across the top two strings (G and C), with a dot on the third string (F).
- Cm:** A diamond symbol above the grid, with dots on the second, third, and fourth strings (F, C, G).
