

# Four Year Strong - Tonight We Feel Alive (On A Saturday)

Tom: C  
Intro: Am C Fm G C G Fm G Am

Am  
The face of another day  
Searching of the voice of a better way  
They say that it's a bad time of year to be up in arms  
So we're pushing on cause we know in our hearts  
It's the only way to stay afloat with the sharks at bay  
Avoid being a casualty of the circumstances  
And second chances are shredded day by day

Fm  
Will your legs fail you  
When you stand too straight and tall  
Cause the world's gone mad  
The taller you are, the harder you fall

Am C Fm G  
Sail up into the night sky  
Until our worlds collide (Whoa-oh-oh, Whoa-oh-oh)  
Tonight we feel alive  
Stand up where I can see you  
No reason left to hide (Whoa-oh-oh, Whoa-oh-oh)  
Tonight we feel alive

Am  
You asked, what would I stand for  
Truth is I stand for thi-i-is  
It's passion perfected  
Fashion neglected  
A natural infection of all we have seen  
It's the only way  
Since we discovered we had a say  
Found that the world's not as cold and grey  
As our circumstances  
And second chances living out the days

Will your legs fail you  
When you stand too straight and tall  
Cause the world's gone mad  
The taller you are, the harder you fall  
I won't stand for this

Am C Fm G  
Sail up into the night sky  
Until our worlds collide (Whoa-oh-oh, Whoa-oh-oh)  
Tonight we feel alive  
Stand up where I can see you  
No reason left to hide (Whoa-oh-oh, Whoa-oh-oh)  
Tonight we feel alive  
Tonight, tonight, tonight

Am G

It's the only way (Tonight, tonight, tonight)
