Feet don't fail me now

Don't fail me now

Don't fail me now

You're all I got, so

Feet don't fail me now

Don't fail me now

Don't fail me now

You're all I got

[Primeira Parte]

You were all my riches

Spent my love 'till there was nothing left

You were all my sickness

But you cured me of my loneliness

[Pré-Refrão]

And now love fades

Nothing left here to say

The ghost of us is fadin'

And that's what I was chasin'

I got faith, saying it'll be okay

Step by step I know I'll make it through

[Refrão]

So I'm saying, oh now

Gotta go now

Oh, no, nothing's gonna bring me down

So I gotta reach out

There's a way out

Praying feet don't fail me now

You're all I got

[Segunda Parte]

Second chances

Don't come easy like they did the first time

All the neighbours

Knew it was dumb before you and I

[Pré-Refrão]

And now love fades

Eb

Nothing left here to say

The ghost of us is fadin'

And that's what I was chasin'

I got faith, saying it'll be okay

Step by step I know I'll make it through

[Refrão]

So I'm saying, oh now

Gotta go now

Oh, no, nothing's gonna bring me down

So I gotta reach out

There's a way out

Praying feet don't fail me now

[Ponte]

Take what you want, baby

Take what you need, baby

You can have it all, but you can't have me

So I'm saying, oh now

Gotta go now

Praying feet don't fail me now

Don't fail me

Don't fail me

Don't fail me

You're all I got

Don't fail me

Don't fail me

Don't fail me

You're all I got

Feet don't fail, fail me now

Feet don't fail, fail me now

Feet don't fail, fail me now

You're all I got

Feet don't fail, fail me now

Feet don't fail, fail me now

Feet don't fail, fail me now

Feet don't fail, fail me now

You're all I got

Feet don't fail me now

Don't fail me now

Don't fail me now
