

# Foxy Shazam - French Passion Of Animality Opera

Tom: F

E|--1 2--1 2-----|

**Dm**  
That concentrated gaze  
**F**  
You gave my eyes  
**Am** **C**  
I've never looked this deep into myself before  
**Dm**  
And I'm pretty sure  
**F** **Am** **C**  
That I'm only human, then again I could be wrong  
**Dm** **F**  
Oh I could be, Oh I could be  
**Am** **C**  
Oh I could be, Oh I could be  
**Dm** **F**  
Oh I could be, Oh I could be  
**Am** **C**  
Oh I could be, Oh I could be  
( **Dm** )

**Dm**  
Sometimes I'm right  
**F**  
Sometimes I'm wrong  
**Am** **C**  
I never felt this way about anything  
**Dm** **F**  
I am a Beast and i'm pretty sure  
**Am** **C**  
That there is no cure, but then again I could be wrong  
  
( **Dm** )  
  
**Dm**  
The stars the stripes the goddess in gold  
I gotta keep a steady rythm of fashion and old  
The way look the way you smell it all makes me feel  
I wanna Die  
**Dm**  
I wanna live today but tonight  
Chain me to the bed i wanna  
Live today but tonight  
Chain me to the bed and chain it tight  
**Dm**  
Out of control, I am a beast

## Acordes
