

# Foy Vance - Sunshine Or Rain

tom:  
Intro: Gb Bbm Db B Ab B Gb

Haven't always been there baby  
Haven't always been true  
Yet you never treated me  
Like I treated you

I never was the one on the end of the phone  
When you needed someone to talk to

Haven't been home much lately  
If I've been home at all  
Yet you've always been there  
To pick me up when I fall

And you told me this would never change  
If you still feel the same

Whenever you need me, call my name  
I'll never leave your side again  
And it may take seasons to make your heart mend  
But I will love you baby  
Come sunshine or rain  
( Gb Db B Ab B Gb )

I truly want you baby  
Just like I did long ago  
Oh you are the mate that God made for my soul

And you swore this would never change  
If you still feel the same

Whenever you need me, call my name  
I'll never leave your side again  
And it may take seasons to make your heart mend

But I will love you baby

Oh, I will love you baby

I will love you baby

I will love you baby

I will love you baby

I will love you baby

I will love you baby

I'm in loooooove

Whenever you need me, call my name  
I'll never leave your side again  
And it may take seasons to make your heart mend  
But I will love you baby  
Come sunshine or rain
