

Foy Vance - Thank You For Asking

tom:

A

[Primeira Parte]

A7M Bm7
You bit into watermelon
E7 A7M
Juices dripped down off your chin to your delight
Bb Bm7
Never dreamed that it could be so ripe
E7 Dbm7 Gb7
And taste just like a little slice of heaven

[Segunda Parte]

Bm7
Then you picked up your napkin
E7 A7M
And you tapped it on your mouth from side to side
Bb Bm7 E7
Never dreamed that such an act could drive my senses wild
Dbm7 Gb7
I wished I was watermelon

[Refrão]

Bm7
Or any other kind of fruit
E7
You'd consume
Dbm7 Gb7
Dragon, grape or passion
Bm7
Oh yes, I'm feeling fine my dear
E7 A7M Bb
But thank you for asking

[Terceira Parte]

Bm7
We talked all through the morning
E7 A7M
And we kissed right from the early afternoon
Bb Bm7 E7
Till the sun set on a sea so blue, replaced by the moon
Dbm7 Gb7
And music for dancing

[Refrão 2]

And in the wee small hours
Bm7 E7
Me and you, stuck like glue
Dbm7 Gb7
Lost in our romancing
Bm7
Oh yes, I'm feeling fine my dear
E7 A7M
But thank you for asking

[Refrão 3]

Bm7
Come the morning and we'll begin again
E7
I'll kiss your skin
Dbm7 Gb7
With an educated fashion
Bm7
Oh yes, I'm feeling fine my dear
E7 A7M
But thank you for asking
