

F.R. David - Sahara Night

Tom: D
Intro: D G D G D G D G

Spirit of the sands
On vast and empty land
Where no one belongs

When the blue gets dark
At the failing lights
Between moon and sun

In the desert fields
Fever's so high
Makes me want to shout

Sahara night
Listen to the wind
Bringing into your ears
Music from afar

You may hear the sounds
Of a tribal dance
Coming from the heights

In the desert fields
Fever's so high
Makes me wanna shout
Sahara Sahara night Sahara night

oh oh oh oh oh oh oh oh

And stars screen

The awful mystery of space
With its weight of fear
I now realise
The hold it has on me
oh oh oh oh oh oh oh oh oh oh oh oh

I love to watch the sky
Smiling at the stars
Laying on the ground
Gentle is the breeze
Wish it never cease

Soothing my mind
In the desert fields
Fever's so high
Makes me wanna shout

Sahara Sahara night Sahara night
oh oh

Oh, Sahara night uhhhhhh
Makes me feel
Makes me feel
So right

Oh, Sahara night
Makes me feel
Makes me feel
So right
