

Francesca Battistelli - Time In Between

Tom: D
Intro: 2x: D G A

Bm7 G
You were there when your Father said
D A A
Let there be light
Bm7 G
You obeyed when He whispered
D A
Son, You have to leave tonight
Bm7 G
To spend nine months in a mother's womb
D G
Three days in a borrowed tomb

D G A
But it's the time in between
D
That brings me to my knees
G A
Knowing you came for me
Bm7
And all that I can't be
G D A
I'm amazed, so amazed
G A D

And I thank You for the time in between

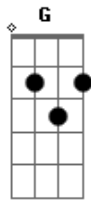

Bm7 G
Don't take much for this crazy world
D A A
To rob me of my peace
Bm7 G
And the enemy of my soul
D A
Says You're holding out on me
Bm7 G
So I stand here lifting empty hands
D G
For you to fill me up again

D G A
But it's the time in between
D
That I fall down to my knees
G A
Waiting on what You'll bring
Bm7
And the things that I can't see
G D A
I know my song's incomplete
G A D
Still I'll sing in the time in between
