

# Frank Ocean - Ivy

Tom: C

<sup>C</sup>  
Am I thought that I was dreaming when you said you love me

<sup>G</sup>  
The start of nothing

<sup>G</sup>  
I had no chance to prepare

<sup>Am F</sup>  
I couldn't see you coming

<sup>C</sup>  
The start of nothing new

<sup>G</sup>  
I could hate you now

<sup>Am F</sup>  
It's quite alright to hate me now

<sup>C G</sup>  
When we both know that deep down

<sup>Am F</sup>  
The feeling still deep down is good

[Verso 1]

<sup>C G Am</sup>  
If I could see the walls, I could see you faking

<sup>Am F</sup>  
If you could see my thoughts you would see your face is

<sup>C G Am</sup>  
Safe in my rental like an army truck back then

<sup>Am F</sup>  
We didn't give a fuck back then

<sup>C G</sup>  
I ain't a kid no more

<sup>G Am F</sup>  
We'll never be those kids again

<sup>C G Am</sup>  
We drove to Syd's, had the X6 back then

<sup>F</sup>  
Back then

<sup>C</sup>  
No matter what I did

<sup>G</sup>  
My waves wouldn't dip back then

<sup>Am F</sup>  
Everything sucked back then

<sup>C</sup>  
We were friends

<sup>C G Am F</sup>  
I thought that I was dreaming when you said you love me

<sup>C</sup>  
The start of nothing

I had no chance to prepare

<sup>Am F</sup>  
I couldn't see you coming

<sup>C</sup>  
The start of nothing new

<sup>G</sup>  
I could hate you now

<sup>Am F</sup>  
It's quite alright to hate me now

<sup>C G</sup>  
When we both know that deep down

<sup>Am F C</sup>  
The feeling still deep down is good

[Verso 2]  
(Igual ao verso 1)

In the halls of your hotel  
Arm around my shoulder so I could tell  
How much I meant to... meant it sincere back then  
We had time to kill back then  
You ain't a kid no more  
We'll never be those kids again  
It's not the same, ivory's illegal  
Don't you remember?  
I broke your heart last week  
You'll probably feel better by the weekend  
Still remember, had you going crazy  
Screaming my name  
The feeling deep down is good

(Igual ao verso 1)

I thought that I was dreaming when you said you love me  
It started from nothing  
I had no chance to prepare  
I couldn't see you coming  
And we started from nothing  
I could hate you now  
It's alright to hate me now  
When we both know that deep down  
The feeling still deep down is good

[Verso 3]  
(Igual ao verso 1)

All the things I didn't mean to say  
I didn't mean to do  
There were things you didn't need to say  
You didn't need to... need to  
I could dream all night  
Dream all night  
I could drive all night  
Drive all night  
Dreaming, dream on
