

Frank Sinatra - A Nightingale Sang In Berleley Square

Tom: Eb

That certain night, the night we met.
 There was magic abroad in the air.
 There were angels dining at the Ritz.
 And a nightingale sang in Berkeley Square.
 I may be right, I may be wrong.
 But I'm perfectly willing to swear.
 That as we kissed and said goodnight.

A nightingale sang in Berkeley Square.
 The moon that lingered over London Town.
 Poor puzzled moon, he wore a frown.
 How could he know we two were so in love.
 The whole darned world seemed upside down.
 The streets of town were pathed with stars.
 It was such a romantic affair.
 But as we kissed and said good night.
 A nightingale sang in Berkeley Square.
