Tom: C
                            Gdim G7
Ev'rything went wrong, and the whole day long, Dm G7 C Fdim G7
And feel so blue.
                Gdim
For the longest while,
                                I'd forgot to smile,
   Dm G7 C C7
Then I met you.
         C7
Now that my blue days have passed,
Now that I've found you at last.
I'll be loving you always, with a love that's true always.
                      C7
                               E
When the things you planned need a helping hand,
                          G7
I will understand always, always.

And time will fly.

Then when the springtime has gone,
Then will my love linger on.
