

Frank Sinatra - Deep In a Dream

Tom: C

E I dim all the lights and I sink in my chair.
A The smoke from my cigarette climbs through the air.
Dalt The walls of my room fade a - way in the blue,
Bm7 And I'm deep in a dream of you.

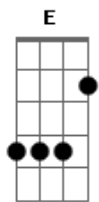

E The smoke makes a stairway for you to descend;
A You come to my arms, may this bliss never end,
Dalt For we love anew just as we used to do

When I'm deep in a dream of you.

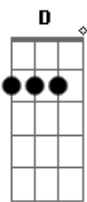

C Then from the ceiling, sweet music comes stealing;
Gdim We glide through a lover's refrain;
C You're so appealing that I'm soon revealing
Gdim My love for you over again.

E My cigarette burns me, I wake with a start;
A My hand isn't hurt, but there's pain in my heart.
Dalt Make or asleep, ev'ry mem'ry I'll keep
D Deep in a dream of you.
