

Frank Sinatra - Deep In a Dream

Tom: C

E I dim all the **E7** lights and I **E7** sink in my **E** chair.
A The smoke from my **A** cigarette **A7** climbs through the **A7** air.
Dalt The walls of my room **D** fade a **Dm7** - way in the **Dm** blue,
Bm7 And I'm deep in a **Bm7** dream of you. **E7**

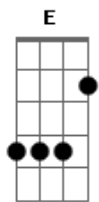

E The smoke makes a **E7** stairway for you to **E7** descend;
A You come to my **A** arms, may this **A7** bliss never **A7** end,
Dalt For we love **D** anew just as we **Dm7** used to **Dm** do
D For we love **E7** anew just as we **A** used to do

When I'm deep in a dream of you.

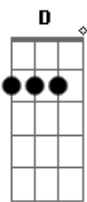

C Then from the **Am** ceiling, **Dm7** sweet music comes **G7** stealing;
C We glide through a **Gdim** lover's **Dm7** refrain;
C You're so **Am** appealing that I'm **Dm7** soon **G7** revealing
C My love for you over **Gdim** again. **Dm7** **G7**

E My cigarette **E7** burns me, I **E7** wake with a **E** start;
A My hand isn't **A** hurt, but there's **A7** pain in my **A7** heart.
Dalt Make or **D** asleep, ev'ry **Dm7** mem'ry I'll **Dm** keep
D Deep in a **E7** dream of you. **A**
