

# Frank Sinatra - I Love You

Tom: G  
Intro: C Em

You're just too good to be true  
Can't take my eyes off you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off you  
Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that is real  
You're just too good to be true  
I can't take my eyes off you  
( Dm C Dm C A )  
I love you baby  
And if it's quite all right  
I need you baby  
To warm the lonely nights  
I love you baby  
Trust in me when I say  
Oh pretty baby

Don't bring me down I pray  
Oh pretty baby  
Now that I've found you stay  
And let me love you, baby  
Let me love you  
You're just too good to be true  
I can't take my eyes off you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true
