

# Frank Sinatra - I Love You

Tom: G  
Intro: C Em

You're just too good to be true  
 Can't take my eyes off you  
 You'd be like heaven to touch  
 I wanna hold you so much  
 At long last love has arrived  
 And I thank God I'm alive  
 You're just too good to be true  
 Can't take my eyes off you  
 Pardon the way that I stare  
 There's nothing else to compare  
 The sight of you leaves me weak  
 There are no words left to speak  
 But if you feel like I feel  
 Please let me know that is real  
 You're just too good to be true  
 I can't take my eyes off you  
 ( Dm C Dm C A )  
 I love you baby  
 And if it's quite all right  
 I need you baby  
 To warm the lonely nights  
 I love you baby  
 Trust in me when I say  
 Oh pretty baby

Don't bring me down I pray  
 Oh pretty baby  
 Now that I've found you stay  
 And let me love you, baby  
 Let me love you  
 You're just too good to be true  
 I can't take my eyes off you  
 You'd be like heaven to touch  
 I wanna hold you so much  
 At long last love has arrived  
 And I thank God I'm alive  
 You're just too good to be true
