

Frank Sinatra - I Love You

Tom: **G**
Intro: **C Em**

You're just too **C** good to be true
Can't **C** take my eyes off you
You'd be like **C7** heaven to touch
I wanna **F** hold you so much
At long last **Fm** love has arrived
And I **C** thank God I'm alive
You're just too **D** good to be true **Dm**
Can't **C** take my eyes off you
Pardon the way that I stare
There's nothing **C** else to compare
The sight of you **C7** leaves me weak
There are **F** no words left to speak
But if you **Fm** feel like I feel
Please let me **C** know that is real
You're just too **D** good to be true **Dm**
I can't **C** take my eyes off you
(**Dm C Dm C A**)

I **Dm** love you baby
And if it's **G** quite all right
I need **C** you baby
To warm the **A** lonely nights
I **Dm** love you baby
G Trust in me when I say **C A**

Oh **Dm** pretty baby
Don't bring me down I pray
Oh **C** pretty baby
Now that I've found you stay **Am**
And let me **Dm** love you, baby
Let me **G** love you
(**Em Eb Dm Db C**)

Don't bring me down I pray
Oh **C** pretty baby
Now that I've found you stay **Am**
And let me **Dm** love you, baby
Let me **G** love you
(**Em Eb Dm Db C**)

I **Dm** love you baby
And if it's **G** quite all right
