                     E
You're just too good to be true
            E7madd9
Can't take my eyes off you
            E7aad9
You'd be like heaven to touch
       A
I wanna hold you so much
           Am
At long last love has arrived
           E
And I thank God I'm alive
            A        Am
You're just too good to be true
             E
Can't take my eyes off you

           E
Pardon the way that I stare
               E7madd9
There's nothing else to compare
                   E7add9
The sight of you leaves me weak
           A
There are no words left to speak
            Am
But if you feel like I feel
              E
Please let me know that is real
            A        Am
You're just too good to be true
             E
I can't take my eyes off you
