            E   E
```
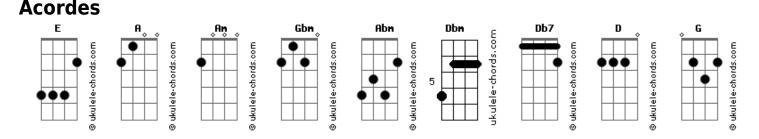

```
                    E
You're just too good to be true
            Eadd9
Can't take my eyes off you
             E7aad9
You'd be like heaven to touch
        A
I wanna hold you so much
            Am
At long last love has arrived
             E
And I thank God I'm alive
                A           Am
You're just too good to be true
                E
Can't take my eyes off you
```

```
             E
Pardon the way that I stare
              Eadd9
There's nothing else to compare
                    E7add9
The sight of you leaves me weak
                A
There are no words left to speak
                Am
But if you feel like I feel
              E
Please let me know that is real
              A         Am
You're just too good to be true
                E
I can't take my eyes off you
