

# Frank Sinatra - It Happened In Monterey

tom:

G  
It happened in Monterey  
Am D7  
A long time ago  
Am D7  
I met her in Monterey  
G  
In old Mexico  
Stars and steel guitars  
Am D7  
And luscious lips as red as wine  
Am D7  
Broke somebody's heart  
G  
And I'm afraid that it was mine  
It happened in Monterey  
Am D7  
Without thinking twice  
Am D7  
I left her and threw away  
B7 E7  
The key to paradise  
Am D7  
My indiscreet heart  
Am D7  
Longs for the sweetheart  
G

That I left in old Monterey
