

Frank Sinatra - Learning The Blues

Tom: G

The tables are empty - the dance floor's deserted;
 You play the same love song - it's the tenth time you've heard it.
 That's the beginning just one of the clues;
 You've had your first lesson - in learnin' the blues.
 The cigarettes you light - one after another
 Won't help you forget her and the way that you love her.
 You're only burnin' a torch you can't lose,
 But you're on the right track for learnin' the blues.
 Bridge:
 When you're at home alone,
 The blues will taunt you constantly;
 When you're out in a crowd,

The blues will haunt your memory.
 The nights when you don't sleep the whole night you're cryin',
 But you can't forget her -- soon you even stop tryin'.
 You'll walk that floor and wear out your shoes;
 When you feel your heart break. you're learnin' the blues.
 Repeat Bridge:
 The nights when you don't sleep the whole night you're cryin';
 But you can't forget her -- soon you even stop tryin'.
 You'll walk that floor and wear out your shoes;
 When you feel your heart break, you're learnin' the blues.
 Coda:
 When you feel your heart break, you're learnin' the blues.
