

Frank Sinatra - One More For My Baby

```
A7 Em7 A7 C Em7 Edim Am7 G
                                                          So, make it one for my baby and one more for the road.
 D
       D D Am7
                                                          Am7 C
                                                                              Am7
                                                          You'd never know it but buddy, I'm a kind of poet,
It's quar - ter to three,
      D D D D Am Am7 D D Am7
                                                          G GM7 G7
And I got a lot of things to say;
There's no one in the place ex - cept you and me,
D D D Am7 D D D D Am Am7
So, set 'em up, Joe, I got a lit - tle sto - ry
                                                          Am7
                                                                   c c c
                                                          And when I'm gloomy, you gotta listen to me E7 Em7 A7
Till it's all talked away.
You oughta know.
                 F7 G F7 Em7 D A7 G B7
 G
                                                             G
We're drinkin', my friend, to the end of a brief ep - i - sode Well that's how it goes,
                                                                                      Am7 G
      G G Em7 G G G A7 D
                                                          And Joe, I know you're gettin' pretty anx -ious to close;
Make it one for my baby and one more for the road.
                                                          So, thanks for the cheer,
 G
       Dm
I got the routine,
                                                                            Dm Am7 G
                                                                                               Dm G GM7 G7
                                                              G
                                                          I hope you did - n't mind my bendin' your ear.
