Intro: F Ab Bb Ab  
Bb C C7

[Primeira Parte]

Life is dull  
It's nothing but one big lull  
Then presto you do a skull  
And find that you're reeling  
She sighs and you're feeling  
Like a toy on a string  
And your heart goes: "Ring-a-ding ding  
Ring-a-ding ding, ring-a-ding ding"

[Segunda Parte]

How could that funny face  
That seemed to be common place  
Project you right into space  
Without any warning  
Don't know if its morning  
Night-time, winter or spring  
What's the difference Ring-a-ding ding  
Ring-a-ding ding, ring-a-ding ding

[Ponte]

She takes your hand  
This captivating creature  
And like its planned  
You're in the phone book  
Looking for the nearest preacher
