

# Frank Sinatra - Serenade In Blue

Tom: C

When I hear that Serenade in Blue  
 I'm somewhere in another world alone with you  
 Sharing all the joys we used to know many moons ago  
 Once again your face comes back to me  
 Just like the theme of some forgotten melody  
 In the album of my memories, Serenade in Blue  
 Bridge

It seems like only yesterday, a small cafe, a crowded floor  
 And as we danced the night away, I hear you say, "Forevermore"  
 And then the song became a sigh  
 Forever more became goodbye  
 But you remained in my heart  
 So tell me, Darling, is there still a spark  
 Or only lonely ashes of the flame we knew  
 Should I go on whistling in the dark, Serenade in Blue

## Acordes
