

# Frank Sinatra - Stranger In The Night

Tom: G

Strangers in the night, exchanging glances.  
 wond'ring in the night, what were the chances,  
 we'd be sharing love, before the night was through.  
 Something in your eyes was so inviting,  
 something in your smile was so exciting,  
 something in my heart told me I must have you.

Strangers in the night, two lonely people, we were  
 strangers in the night, up to the moment when we  
 said our first "Hello", little did we know,  
 Love was just a glance away,  
 a warm embracing dance away.  
 And ever since that night we've been together,  
 lovers at first sight, in love forever,  
 it turned out so right for strangers in the night.
