

Frank Sinatra - Strangers In The Night

```
tom:
Intro: F Fadd9 Gm C C7
Strangers in the night exchanging glances
Wond'ring in the night what were the chances
We'd be sharing love
                      {\sf Gm}
            D7
Before the night was through
Something in your eyes was so inviting
Something in your smile was so exciting
                C C7
Something in my heart
Told me I must have you
Strangers in the night, two lonely people
We were strangers in the night, up to the moment
When we said our first hello
Little did we know
```

```
Love was just a glance away
A warm embracing dance away and
Ever since that night we've been together
Fadd9
Lovers at first sight, in love forever
It turned out so right
For strangers in the night
[Solo] Am7 A D7 Gm Bbm
Love was just a glance away
A warm embracing dance away and
Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right
                          Am7 D7
For strangers in the night
                 \mathsf{Am}
Du, bi du bidu, da, da da da
```
