

# Frank Sinatra - the summer wind

Tom: A

The summer wind came blowin' in across the sea,  
It lingered there to touch your hair and walk with me;  
All summer long we sang a song and strolled in golden sand,  
Two sweethearts and the summer wind.  
Like painted kites, the days and nights went flying by;  
The world was new beneath a blue umbrella sky.

Then softer than a piper man, one day it called to you -

D Bm -5 Em A7 Dm B7

I lost you to the summer wind.

(Tom muda pra E )

The autumn wind, the winter winds have come and gone;  
And still the days, the lonely days, go on and on.  
And guess who sighs his lul-la-bies though nights that never  
end?  
my fickle friend, the summer wind.

Coda:

E E7 Gbm B7 E E7 Gbm B7  
The summer wind, the summer wind.
