

# Frank Sinatra - Wave

Tom: G

(intro 4x) Dm G Dm G

So close your eyes,

for that's a lovely way to be

Aware of things your heart alone was meant to see

The fundamental loneliness goes

whenever two can dream a dream together

You can't deny,

don't try to fight the rising sea

Don't fight the moon, the stars above and don't fight me

The fundamental loneliness goes

whenever two can dream a dream together

When I saw you first the time was half past three

Together...

When your eyes met mine it was eternity

By now we know

the wave is on its way to be

Just catch that wave don't be afraid of loving me

The fundamental loneliness goes

whenever two can dream a dream together

When I saw you first the time was half past three

When your eyes met mine it was eternity

By now we know

the wave is on its way to be

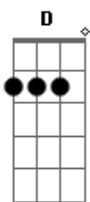

Just catch that wave don't be afraid of loving me

The fundamental loneliness goes

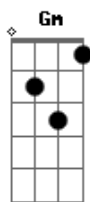

whenever two can dream a dream together

Together...
