

# Frankie Cosmos - Fool

Tom: G

Your name is a triangle  
 Your heart is a square  
 I love to see you  
 Way over there

( D )  
 Once I was happy  
 I found it intriguing  
 Then you got to me  
 Left me bleeding

You make me feel like a fool  
 Waiting for you  
 You make me feel like a fool  
 Waiting for you

I thought we could eat bread  
 I thought we could talk  
 On darker days  
 With our boots kicked off  
 You looked to me  
 And I looked away  
 Though I had been looking  
 You make me feel like a fool  
 Waiting for you  
 You make me feel like a fool  
 Waiting for you  
 You make me feel like a fool  
 Waiting for you  
 You make me feel like a fool  
 Waiting for you
