

Franz Ferdinand - Dark Of The Matinee

Tom: A

You take your white finger
 Slide the nail under
 the top and bottom buttons of
 my blazer
 Relax the fraying wool, slacken ties
 And I'm not to look at you in the shoe, but the eyes
 Find the eyes
 So find me and follow me through corridors, refectories and
 files you must follow, leave this academic factory you will
 find me in the matinee, the dark of the matinee. it's
 better in the matinee, the dark of the matinee is mine
 yes its mi----ine
 I time every journey, to bump into you, accidentally I
 charm you and tell you of the boys i hate
 all the girls i hate, all the words i hate
 all the clothes i hate, how I'll never be anything I hate
 You smile, mention something that you like,
 how you'd have a happy life
 if you did the things you like.

So find me and follow me through corridors, refectories and
 files you must follow, leave this academic factory you will
 find me in the matinee, the dark of the matinee. it's
 better in the matinee, the dark of the matinee is mine
 yes its mi----ine
 So I'm on BBC2 now, telling Terry Wogan how I made it
 And what I made is unclear now
 But his deference is and his laughter is
 My words and smile are so easy now
 Yes, it's easy now, yes, it's easy now
 So find me and follow me through corridors, refectories and
 files you must follow, leave this academic factory you will
 find me in the matinee, the dark of the matinee. it's
 better in the matinee, the dark of the matinee
 Well find me and follow me through corridors, refectories and
 files you must follow, leave this academic factory you will
 find me in the matinee, the dark of the matinee. it's
 better in the matinee, the dark of the matinee is mine
 yes it's mi----ine
