

# Franz Ferdinand - Dark Of The Matinee

Tom: A

You take your white finger  
 Slide the nail under  
 the top and bottom buttons of  
 my blazer  
 Relax the fraying wool, slacken ties  
 And I'm not to look at you in the shoe, but the eyes  
 Find the eyes  
 So find me and follow me through corridors, refectories and  
 files you must follow, leave this academic factory you will  
 find me in the matinee, the dark of the matinee. it's  
 better in the matinee, the dark of the matinee is mine  
 yes its mi----ine  
 I time every journey, to bump into you, accidentally I  
 charm you and tell you of the boys i hate  
 all the girls i hate, all the words i hate  
 all the clothes i hate, how I'll never be anything I hate  
 You smile, mention something that you like,  
 how you'd have a happy life  
 if you did the things you like.

So find me and follow me through corridors, refectories and  
 files you must follow, leave this academic factory you will  
 find me in the matinee, the dark of the matinee. it's  
 better in the matinee, the dark of the matinee is mine  
 yes its mi----ine  
 So I'm on BBC2 now, telling Terry Wogan how I made it  
 And what I made is unclear now  
 But his deference is and his laughter is  
 My words and smile are so easy now  
 Yes, it's easy now, yes, it's easy now  
 So find me and follow me through corridors, refectories and  
 files you must follow, leave this academic factory you will  
 find me in the matinee, the dark of the matinee. it's  
 better in the matinee, the dark of the matinee  
 Well find me and follow me through corridors, refectories and  
 files you must follow, leave this academic factory you will  
 find me in the matinee, the dark of the matinee. it's  
 better in the matinee, the dark of the matinee is mine  
 yes it's mi----ine
