

Franz Ferdinand - Fresh Strawberries

Tom: E

We are fresh strawberries
 Fresh burst of red strawberries
 Ripe turning riper in the bowl

We will soon be rotten
 We will all be forgotten
 Half remembered rumours of the old

So wouldn't it be easy with
 Something to believe in
 That could give us more

Then here's my work
 So where's my pay to buy

What i don't neeeeeed
 Wouldn't it be easy to believe
 To believe

Thieves believe
 Everybody steals
 But i believe there's nothing to believe
 But i'd love the manual the
 Instruction manual
 Or liars swear that they never lie

Wouldn't it be easy with

Something to believe in
 That could give us more
 Then here's my years
 So now they've gone
 Is time
 For me to leave

Wouldn't it be easy to believe...
 To believe
 Wouldn't it be easy to believe?
 Wouldn't it be easy to believe?

We are fresh strawberries
 Fresh burst of red strawberries
 Ripe turning riper in the soul

Wouldn't it be easy
 Something could give us more
 I don't know
 No i don't know
 I don't know what i need
 Wouldn't it be easy
 Couldn't it be easy
 Shouldn't it be easy
 To believe
