We're still together

Am G F C  
You can laugh about it all

(Am Em )  
I hope you didn't bring flowers  
Hope you didn't write a poem  
Hope you remember every fight  
I know I could be noxious  
Or occasionally cruel  
But only to the ones  
I loved

Am G F C  
Goodbye lovers and friends

Am G F C  
So sad to leave you
