

Franz Ferdinand - Katherine Kiss Me

Tom: G

G
 Katherine, kiss me
 Slip your little lips
 Will split me
 Em
 Split me away your eye won't hit me
 C
 Yes, I love you, I mean it
 D
 I'd love to get to know you
 Em B7
 Sometimes I say the stupid things I think
 I mean I
 C Gm
 Sometimes I think the stupidest things
 c
 Mmmmm
 Gm C
 And do you ever wonder
 Gm C
 How the boy feels
 G
 Katherine, kiss me
 Flick your cigarette, then kiss me
 Em
 Flick your eyes at mine so briefly
 C
 Your leather jacket lies
 D
 In sticky pools of Cider Blackberry
 Em
 You glance and ricochet
 B7

From every alpha male behind me
 C
 Eyes
 Gm
 Like bubbles on the washing machine
 C
 Mmmmm
 Gm C
 I wonder
 Gm C
 How the boy feels
 G Em C D
 G
 Katherine , kiss me
 In the alleyway
 By ???..
 Em
 Jacket in the sodium light
 C D
 Yes, I love you, I mean I
 Need to love
 Em B7
 And though your opened eyes stay bored
 C
 Upon the overflowing pipes above me
 Gm
 Tonight
 C
 I don't mind
 Gm C
 Because I never wonder
 Gm C
 How the girl feels

Acordes
