

Franz Ferdinand - The Outsiders

Album: You Could Have It So Much
 Tuning: Standard
 Bassist: Bob Hardy
 Tabbed by: Mike Thompson (mikethecoug)
 Email:

Notes: I know it's not one hundred percent, but it does it for me and it's fun to play along to. Also, bob definitely plays notes on the **A** string in the main riff because i saw them live in Manchester, and saw he was doing some sort of hammer on-esque thing.

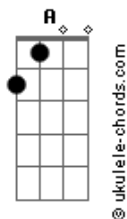

Rate fairly! And have fun!
