

# Franz Ferdinand - Walk Away

Tom: G  
Intro:

I swapped my innocence for pride, crushed the end within my stride

Said I'm strong now I know that I'm a leaver

I love the sound of you walking away, you walking away

Mascara bleeds a blackened tear, oh...

And I am cold, yes, I'm cold  
But not as cold as you are

I love the sound of you walking away, you walking away

I love the sound of you walking away, walking away... hey hey...

Why don't you walk away?

Why don't you walk away?

Why don't you walk away? No buildings will fall down

Don't you walk away? No quake will split the ground

Won't you walk away? The sun won't swallow the sky

Won't you walk away? Statues will not cry

Don't you walk away? Why don't you walk away?

Why don't you walk away? Why don't you walk away? Hey, Hum

(Intro)

I cannot turn to see those eyes as apologies may rise  
I must be strong and stay an unbeliever

And love the sound of you walking away, you walking away  
Mascara bleeds into my eye, oh

And, I'm not cold, I am old  
At least as old as you are

La, la-la, la, la-la, la, la-la, la, la-la-la  
La-la-la la la-la, la-la-la la la-la-la, la-la-la la...

As you walk away

Oh, as you walk away

And as you walk away my headstone crumbles down

As you walk away the Hollywood wind's a howl

As you walk away the Kremlin's falling

As you walk away radio 4 is static

As you walk away, oh, as you walk away

Oh, as you walk away, oh, as you walk away, hey, hum..

The stab of stiletto on a silent night

Stalin smiles, Hitler laughs, Churchill claps Mao Tse-Tung on the back
