

Franz Ferdinand - Walk Away

Tom: G
Intro:

I swapped my innocence for pride, crushed the end within my stride

Said I'm strong now I know that I'm a leaver

I love the sound of you walking away, you walking away

Mascara bleeds a blackened tear, oh...

And I am cold, yes, I'm cold
But not as cold as you are

I love the sound of you walking away, you walking away

I love the sound of you walking away, walking away... hey hey...

Why don't you walk away?
Why don't you walk away?

Why don't you walk away? No buildings will fall down
Don't you walk away? No quake will split the ground
Won't you walk away? The sun won't swallow the sky
Won't you walk away? Statues will not cry

Don't you walk away? Why don't you walk away?
Why don't you walk away? Why don't you walk away? Hey, Hum

(Intro)

I cannot turn to see those eyes as apologies may rise
I must be strong and stay an unbeliever

And love the sound of you walking away, you walking away
Mascara bleeds into my eye, oh

And, I'm not cold, I am old
At least as old as you are

La, la-la, la, la-la, la, la-la, la, la-la-la
La-la-la la la-la, la-la-la la la-la-la, la-la-la la...

As you walk away
Oh, as you walk away

And as you walk away my headstone crumbles down
As you walk away the Hollywood wind's a howl
As you walk away the Kremlin's falling
As you walk away radio 4 is static

As you walk away, oh, as you walk away
Oh, as you walk away, oh, as you walk away, hey, hum..

The stab of stiletto on a silent night
Stalin smiles, Hitler laughs, Churchill claps Mao Tse-Tung on the back
