

Fred Camacho - Sempre Marcou

tom: C

Eu fiquei tão só

Quando você foi

Me lembro ainda

Cada gesto seu sempre marcou sim

Eu não vou mentir há um vazio em mim

Nem o próprio tempo foi capaz de apagar

Não foi risco de giz

Se chegou vai ficar mais linda

Toda essa paixão seja bem vinda

Vem pra renovar

O ar do nosso lar

Não vai me deixar sofrer assim

Não vou suportar te ver sem te tocar

Morrer de sede em frente ao mar

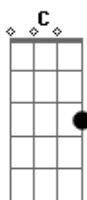

O que passou, passou

Que tal recomeçar

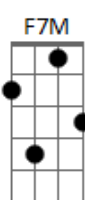

Posso morrer amor

Deixa eu viver pra amar
