

Fred e Fabrício - Guarda-Roupa

G tom:

D, A, Am, **G**

Baby can't keep on running
All I want you to do is to feel with me yeah
We both are hurting
And it's gonna take a little time
To heal all the wounds and save our family

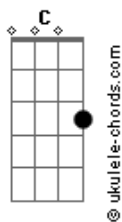

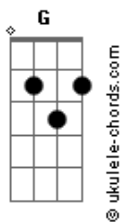

D, C, Bm, Bb, **C**

All I ever wanted
All I ever needed
All I ever wanted was love
Remember kissing in the moonlight?
How we held each other all night
All I ever wanted was love

D, A, Am, **G**

Darling darling darling
Don't you want to feel good inside?
It seems I've forgotten how it feels to be
Look up to the stars
And ask the heavens
To show you the truth

Acordes

So that you can be free

D, C, Bm, Bb, **C**

All I ever wanted
All I ever needed
All I ever wanted was love
Remember kissing in the moonlight?
How we held each other all night
All I ever wanted was love

D, A, Am, **G**

Tell me what's the answer?
It's gotten so cloudy I just can't see
But you got your life and I got mine
Are we even?
When I know I want you
And baby you want me

D, C, Bm, Bb, **C**

All I ever wanted
All I ever needed
All I ever wanted was love
Remember kissing in the moonlight?
How we held each other all night
All I ever wanted was love
