

Freen Sarocha - No More Blues

tom:

Intro: Cadd9 F G F G

I still wonder if this is a dream
 That someone like you would stand here with me
 Look into your eyes. I Still get butterflies
 Oh my, It's like a dream

I'm no perfect
 But somehow, It's you who still love me
 And yes, it is true
 You make my heart flow more than you'll ever know
 Angel is right here this low

[Pré-Refrão]

So I... I wanna hold you tight

And tell you that I

Oooh

[Refrão]

Honey, I'll be with you by your side
 Forever be mine. You are the brightest star in the sky
 Whatever you do
 I'm always here for you. Oooh~

There will be no more blues. Cuz you fulfilled my life

Oooh ooh ooh~
 Oooh ooh ooh~
 You fulfilled my life

[Pré-Refrão]

So I... I wanna hold you tight

And tell you that I

Oooh

[Refrão]

Honey, I'll be with you by your side
 Forever be mine. You are the brightest star in the sky
 Whatever you do, (I do)
