

# Frei Fabreti - Minha Alma Se Esvai (Salmo 31)

tom:

F

F

Gm

Minha alma se esvai em tristeza

E meus anos se vão em gemidos

Enganados por meus opressores

Só em ti eu encontro abrigo!

Atende Senhor o clamor do meu coração

O meu espírito entrego em tuas mãos

Quanta angustia, Meus olhos são tristes

E me vejo qual vaso partido

Mas tua face é a luz que procuro

De tua vista eu não seja excluído

Às ocultas me dizem blasfêmias

Por tua graça tão plena me salves

Em correntes pesadas me ataram

Vem depressa, Senhor, libertar-me

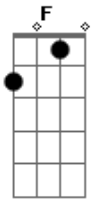

Tem piedade de mim, Senhor Santo

Se a casa que posso abrigar-me

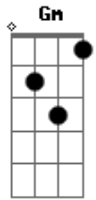

Ao meu lado só tramam a morte

Mas confio que vens libertar-me
